Dear Ma'am,

Please find the Process Steps and Estimation for Chennai Report Format Changes below:

STEP 1 : Implementation of Instrument Column in Test Report Format while generation of Test Report both for FOOD & ENV.

STEP 2 : Implementation of Instrument Column in Order Confirmation Mail Format while sending a Order Confirmation Mail both for FOOD & ENV.

STEP 3 :

a) Adding of Remarks (from Order booking form) field in-front of Sample Submission Type and labeling it to 'Sampling Details' in Test Report Format and Order Confirmation Mail Format both for FOOD & ENV.

b) 'Sampling Details' will be displayed in Test Report only if Sales-Samples is 'Sampled By Lab Rep' otherwise not both in Test Report Format and Order Confirmation Mail Format both for FOOD & ENV.

Completing all the above steps will take at-least 6 Hrs.
